District

**JOKER**

**Arab Titles —**

Cleric tribal leader  
Qadi — Judge for Islamic Sharia Court  
Shaykh — literally an elder

Iraqi Tribal names were dropped starting in the 1970s.  
Many Iraqi last names in documents include the tribal  
name, for example, al-Tikriti, which is very common  
among leading regime figures. Iraq decreed again in the  
1990s that Military officers were not to use their tribal  
names.

Example: Muhammad Mullah Husayn Al-Tikriti

First Name: Muhammad  
Middle Name(s): Husayn  
Reference Name: Husayn  
Tribal Name: Al-Tikriti
